

How the Six-Day War Informs the Middle East Today

Monday, June 29, 2:00 PM

An Online Presentation as a Community Service

Fifty-three years later, the Six-Day War remains a seminal event in Israel's history. Middle East analyst Rafael Danziger will examine the impact that the war has had on the region and Israel. He is the Senior Research Advisor and Editor-in-Chief Emeritus, of the *Near East Report* at AIPAC.
